---

...a popular add-on to Veri-Screen! or Veri-Screen! Plus searches.

The CDS National Security Search provides an instant database search of 27 National and International security lists. These lists include individuals alleged to be involved in terrorist activities, money laundering, illegal imports, fraud against government agencies, violations of federal banking regulations and fugitives from justice. Instant turnaround!

CDS National Security searches can be run separately or combined with other CDS Background Screening options. [Contact us](#) today for personal assistance.
