...a popular add-on to Veri-Screen! or Veri-Screen! Plus searches.

The CDS National Sex Offender search includes information and photos from 49 states* plus Washington D.C., Guam and Puerto Rico. Results are instant on searches with no "hits". Hits automatically generate County or State criminal searches to verify accuracy and obtain detailed information within 24-72 hours.

CDS National Sex Offender searches can be run separately or combined with other CDS Background Screening options. [Contact us](#) today for personal assistance.
